**KET / RIS CREW** KEEPS IT REAL WITH A KETS TOP TO BOTTOM WHOLE CAR ON THE **A** TRAIN.

**LARCENY, INC.**

**J**ust when you thought UNSIGNED HYPE was gone from **THE SOURCE** for good, the column returns this month with a whole clique of talent representing from the home of the hustler. Meet the Money Boss Players, a tight network of childhood friends from around the Soundview section of the Bronx unifying their strengths to go the distance in this rap game, and beyond. Originally formed strictly in order to take care of "business" around the way, MBP now has the ammo to take their organization to the next level.

Producer **Minnesota**, the musical backbone of the clique, has a unique noise quality to his loops. His tracks show a lot of versatility from hardcore to R&B, but he specializes in transforming unusual and obscure jazz sounds into some eerie **Darth Vader** meets **Freddie Kruger** type shit. His production talents have already been utilized by **Grand Puba** who has Minnesota producing five songs for his album, one of which features **Sadat X** and another showcasing the rhymes of Minnesota and his main MC, **Lord Tarik**.

Tarik and Minnesota form **Larceny, Inc.**, the primary group within the Money Boss Players. Tarik has already begun making a name for himself through freestyle appearances with the tape DJs uptown. He first appeared on a **Triple C** tape in '89 and has since caught wreck on recent joints by uptown tapemasters **Doo Wop**, **Buck Wild** and **Easy LP**. He also appears on an independent self-titled release by the **Gunrunners** (Shakedown Records).

"We're not in a rush to sign a record deal," says Minnesota. "If we have to, we'll do it ourselves." Currently, the clique is finishing up a Money Boss Players compilation featuring Larceny and the rest of the clique: **Q&A**, **Eddie Cheeba**, **Hot Mike**, **Aulthath**, **Will Traxx**, **Itruth**, **Fortae** and **Aliasha**. They may throw independent 12" any minute through their newly-formed Section 8 Records.

*Each month in this column, we profile a talented group or artist who has yet to sign a label deal. Send top quality demo tapes with a description of the contents, a black and white photo and contact info to*
